THE HON'BLE Ms. JUSTICE G.ROHINI

WRIT PETITION No. 6905 of 2006

ORAL ORDER:

Petitioner No.1 claims to be the owner of a Cinema Theatre, whereas petitioner No.2 is a Nursing Home situated at Mandapeta, East Godavari District.

This Writ Petition is filed being aggrieved by the alleged action of respondents in proposing to close the existing way on the main road of Mandapeta, contending, inter alia, that it would cause inconvenience to public. It is stated that petitioner No.1 made a representation dated 16.03.2006 before respondent No.3 not to close the existing way between the road dividers in front of the office of the Sub Registrar. Similar representation was also made by Sub Registrar, Mandapeta on the even date. The grievance of the petitioners is that without considering the representations dated 16.3.2006, respondents are proceeding to close the existing way.

Having heard learned counsel for the petitioners and learned Government Pleader appearing for respondents, I am of the opinion that such controversy cannot be enquired into and decided by this Court in exercise of its jurisdiction under Article 226 of the Constitution of India.

Accordingly, without expressing any opinion as to the tenability of objections raised by petitioners, I deem it appropriate to grant liberty to petitioners to make appropriate representation raising all the objections before respondents. If such a representation is made, respondents shall consider the same and appropriate steps be taken in accordance with law, as expeditiously as possible, preferably within a period of one week from the date of receipt of such representation.

The Writ Petition is accordingly, disposed of. No costs.
